

THE **MAKE MORE** TOUR

We're hitting the road—and bringing you with us. Join us for an afternoon at **MedFab Precision Solutions in Lakeville, MN.**

This isn't your typical sit-and-listen event. Get ready for genuine conversations about real challenges in manufacturing, and explore what's working to solve them. It's an event designed for industry professionals who want to brainstorm ideas and exchange practical tips that can be implemented immediately. Bring your questions, experiences, and willingness to add to the conversation. You'll leave with fresh insights, new connections, and ideas to help your team Make More.
